Mrs. Guyon E. Buehler, North Washington street, was re-elected president of the board of directors of the Gettysburg YWCA Thursday evening at a directors' reorganization session held at the "Y" following the annual membership session. Mrs. Violet Hill was re-elected secretary and Mrs. L. C. Keefe was re-elected treasurer.

Serving as members of the nominating committee for the directors' reorganization session were Mrs. R. S. Saby, chairman, Mrs. Elizabeth Hennig and Miss Rosea Ammer.

Election of members of the board was one of the high spots of the annual membership meeting attended by approximately 50. Named to the board were Mrs. R. S. Saby, the only one re-elected, Miss Anna I. Cairns, Mrs. Eric R. Deardorff, Miss Mildred Hartzell and Mrs. Abe Harris. Two board members appointed by the adult clubs were named as Mrs. Emma McClellan by the Annie Danner club and Miss Virginia Wright by the Business and Professional Women's club.

**Select Nominating Committee**  
Named as a nominating committee to serve during the coming year were Mrs. Ralph Barley, Miss Louise Bender, Mrs. Wayne Keet, Mrs. E. K. Markley and Mrs. William G. Weaver. The members of the nominating committee which served this year included Mrs. Frank Kramer, Mrs. Walter H. Danforth, Mrs. Richard Brown, Mrs. Wayne M. Keet, Mrs. Eva Pape, Miss Nina Mellow and Miss Martha Lentz. Tellers for the election included Mrs. Brown, chairman; Mrs. Helen King and Mrs. Amanda Myers.

The program opened with the president, Mrs. Buehler, presiding. Prayer was offered by Mrs. Donald Scott and a dessert supper was served by the following Junior Y-Teens: Patricia Moser, Gloria Harner, Irene Jacoby, Betty Jo Linn and Sally Oyler. Music was led by Miss Ruth Doud with Mrs. L. C. Keefe as pianist.

**OK Membership Plan**  
Plans to have a paid membership of the YWCA were unanimously approved subject to the approval of the Community Chest. Under the proposed plan, membership dues of all persons over 17 and out of school will be \$1.50 of which 50 cents will be paid to the YWCA.

## Miss K. Knouse Engaged To Wed

Mr. and Mrs. M. E. Knouse of Arendtsville announced the engagement of their daughter, Kathryn, to Earl Schreckengost, son of Mr. and Mrs. Ernest Schreckengost of Putneyville, Pa., at a St. Patrick's Eve party Thursday evening at the Knouse home. A large, specially-decorated cake was used in making the announcement. There were corsages for all the guests.

Miss Knouse is payroll clerk for the Knouse Foods Cooperative and Mr. Schreckengost is engaged in highway construction work with his father.

The wedding will take place in the near future.

## GIRL SCOUTS PLAN FILLING SCHOOL BAGS

Construction and filling of school bags for shipment to youngsters overseas by the East Berlin and Cashtown Girl Scout troops and donations of money toward purchase of articles to place in the bags by Littlestown and Gettysburg troops were outlined Thursday evening at the regular meeting of the Adams County Girl Scout council.

Mrs. Fred Faber, Jr., Juliet Low chairman for the council reported the completion of work on the school bags at the meeting held in the Girl Scout Little House on East High street. She reported that the next collection for the school bags will take place in June.

Mrs. Harvey Raffensperger, chairman of the staff and office committee, reported the purchase of a new filing cabinet and two desk lamps for the Little House.

Miss Marion Tupper, scout executive leader reported that the camping committee has sent out questionnaires to all scouts asking them details concerning what activities they would like to have at the day camps this summer. She also reported that 87 adults and girls have registered so far this month.

**Seek Leader**  
The council agreed to pay the expenses of a week's training course on outdoor life to be held at Camp Rockwood, Bethesda, Md., starting April 22, if some young woman can be secured to take the course. The person taking the course need not be active in Girl Scouting at the moment but would be expected to help in the training at the Girl Scout day camps this summer and become a scouting leader. Anyone interested should contact the Girl Scout office on East High street, Mrs. J. Walter Coleman, president of the county council said.

Seven countians are undergoing a four weeks' course in crafts at York, it was announced, and plans for a course in square dancing to be held at the Lee-Meade Inn starting April 19 were announced.

Ten members of the council were present for the session. The next meeting will be held April 17.

## BIRTH ANNOUNCEMENTS

Mr. and Mrs. Ralph Weikert, Gettysburg R. 5, announce the birth of a daughter at the Warner hospital this morning.

A son was born Thursday afternoon at the hospital to Mr. and Mrs. Martin Fiegal, New Oxford. Mr. Fiegal is the athletic coach at New Oxford high school.

## Driver Is Fined For Driving Too Fast

John Herbert Smith, Sykesville, Md., was given a hearing on Thursday night before Justice of the Peace P. Loy Lindaman, as a result of hitting a child early Thursday morning on South Queen street, Littlestown. He was charged by Chief of Police Leon H. Gage with driving too fast for conditions. Smith pleaded guilty to the charge and paid a fine and costs. The victim of the accident was Marie Klunk, six-year-old daughter of Mr. and Mrs. Raphael Klunk, Littlestown R. 1. She was treated by Dr. A. C. Richards, Jr., for brush burns and shock.

## Lenten Film To Be Shown On Saturday

A Lenten film, "Barabas," will be shown by C. H. Heidebaugh, York, at the meeting of the Crusaders Youth group at the Foursquare Gospel church Saturday evening at 7:45 o'clock.

The public is invited to attend.

## FACES SCHOOL CHARGE

Lester Miller, Gettysburg R. 3, arrested Thursday afternoon by Constable Leo Riley for a school code violation, will be given a hearing Tuesday before Justice of the Peace Robert P. Snyder. He was released on his own recognizance. Miller is charged with failing to have a child in attendance at school.

## WAYNESBORO SEEKS REPAIRS ON STATE ROAD

The roads committee of the Waynesboro Motor club will lay before the Highway Planning commission of Pennsylvania the need of improvement of road Route 16 through Franklin county and a part of Adams county to the Maryland line.

In addition to this, the committee will again place before Secretary Ray F. Smock, of the Department of Highways, the appeal to rebuild unimproved sections of the road.

An over-all study of state highways is being made by the Highway Planning commission so as to develop a long range highway program for the Commonwealth under the provisions of Act No. 537.

## Set Next Week

Already hearings have been held in Wilkes-Barre and Erie. Hearings will be held in Harrisburg next Tuesday and Wednesday. A brief prepared by the Waynesboro roads committee will be filed with the Commission on Tuesday.

The hope of the committee is that Route 16 will be included on the program of the Highway Planning commission, and particularly on the way department.

In the brief it will be brought out that Route 16 is a major road, being a part of the Pittsburgh-Baltimore thoroughfare. Attention will be drawn to the fact that it has been beaten down by heavy traffic, and that it is rough and uneven, both on the Mercersburg end and the Adams county section.

It is a question which is the worst stretch. Part of 16 already has been improved, notably the Sunshine Trail out of Waynesboro and the mountain to a point near Zora. East of Zora is one of the worst strips. A road between Waynesboro and Shady Grove was built 10 or 12 years ago.

Maryland has been improving its section of road merging with Pennsylvania's Route 16, so that there is a good thoroughfare from the State line to and beyond Emmitsburg.

The Highway Planning commission to which the roads committee is appealing consists of 11 appointed by the Governor. State Senator James S. Berger of Coudersport, is chairman. Dr. Charles S. Tippetts, headmaster of the Mercersburg Academy is a member.

## MOOSE TO PAY FOR LINOLEUM AT HOSPITAL

The Gettysburg Moose lodge Thursday night approved payment of approximately \$300 for the laying of new linoleum in the second floor hallway of the old building at the Warner hospital.

During a meeting held in the Moose home on York street the members voted \$286.99 to cover the cost of placing new gray-colored heavy linoleum in the hallway and then voted to pay for completion of the job by placing linoleum in an area between the hallway of the old building and the hallway of the new building. The cost of that work was estimated at about \$60.

The lodge voted to sponsor a baseball team made up of youngsters between the ages of 12 and 15 through an arrangement with the Gettysburg Recreation Association.

\$5 was donated to the Gettysburg Board of Health for a poster contest in connection with clean-up week.

Twelve new members were voted into the lodge bringing the membership to 1,448. Secretary Charles L. Lawver announced.

The members voted to ask the Adams county branch of the American Cancer society to conduct an educational program on cancer at the April 20 meeting of the lodge.

Election of officers for the coming year will take place at the next meeting, April 6, Governor Clifford Harmon announced.

## Harrisburg Pastor Will Preach Here

The Rev. L. W. Howard, pastor of Harris A. M. Zion church, Harrisburg, will preach at a special worship service to be held at St. Paul's A. M. E. Zion church, South Washington street, at 3 o'clock Sunday afternoon.

Members of the Rev. Mr. Howard's church and his choir will be present for the service which is being held for benefit of the annual Woman's day. Mrs. C. Louise Stanton is chairman of the Woman's day activities.

The Rev. J. O. Fountain, pastor of St. Paul's church, will have as his sermon subject, "Rest! Awake," for the 11 a. m. worship hour Sunday. At the 7:30 o'clock worship hour a pageant, "Heavenly Road," will be presented by members of the Harris church under direction of Miss Frances G. Shirley.

## ANNUAL TEXACO DINNER IS HELD ON THURSDAY

Sixty Adams county Texaco dealers were guests of the Citizens Oil company, Joseph E. Codori, manager, at the annual dinner meeting at Bankert's restaurant Thursday evening.

James Kerrigan, dealer service representative of The Texas Company, New York City, was the toastmaster and speaker. Other out of town guests were Paul Desmond, another dealer service representative of Texaco, Charles Campbell, Philadelphia, retired district manager of the B. F. Goodrich company, Lee Veith, Philadelphia, Goodrich district manager, Robert S. Ogilvie, Harrisburg, zone representative of The Texas Company and Lee Smith Hanover, sales representative of the Goodrich company.

Mr. Codori opened the meeting with a brief address of welcome and then introduced Mr. Kerrigan. The latter stressed the "importance of oil changing every thousand miles" and outlined the long research and laboratory tests conducted by the Texas company to "perfect the new custom made Havoline motor oil."

## Movies Are Shown

A technicolor sound film was screened showing how Havoline oil was developed "to protect motors and give greater performance" according to Mr. Kerrigan. The film was titled "It's mighty cheap insurance."

Mr. Kerrigan then told of the extensive advertising program now being conducted by the company. He said that Texaco was spending more money on advertising in 1950 than any other year in its history. He said that full page colored display ads were being run.

## New Civic Nurse Is Named Thursday

Mrs. Julia Holtzworth, substitute, was named to fill the unexpired term of Mrs. Joseph Bushey, civic nurse, at a meeting of the Civic Nursing association Thursday afternoon at the Gettysburg National bank.

The resignation of Mrs. Bushey, who has accepted a position as a state nurse in Adams county, effective April 1, was read and accepted with regret. Her term as civic nurse, which she has held since July 1, 1947, would have expired in September.

The nursing committee, Mrs. J. T. Fogle, chairman, Mrs. Milton R. Remmel and Miss Anna Reck, were given authority to employ a new substitute nurse should the need arise.

Mrs. Ralph R. Gresh, vice president of the association, presided in the absence of the president, Mrs. George F. Eberhart. Mrs. Frank H. Kramer acted as secretary in the absence of Mrs. W. H. Danforth.

## 700 STUDENTS ATTEND CAREER SESSIONS HERE

High school juniors and seniors to a larger extent are planning to enter professions, judging by the selections the youngsters made in connection with the sixth annual Career Conference held this afternoon at Gettysburg college under sponsorship of the Adams County Schoolmen's Association. More than 700 students from throughout the county, Hanover, Maryland, and Franklin county were in attendance.

Registrations show that conferences in advertising, banking, business, law, ministry, engineering, social science and laboratory technology are twice as large as a year ago. The enrollment for the conference on business has increased by 200 per cent over last year.

## Increased Interest

The largest increase is in the nursing and engineering conferences. Nursing attracted 72 as compared to 45 last year. The engineering conference showed an increase from 17 to 44.

Percentage-wise law is among the leaders with a jump of 267 per cent, with 11 listed as compared to last year's three. Ministry increased from one student last year to five this year.

Departments in which enrollment has dropped more than 50 per cent include aeronautics, foreign languages, government service, radio and dentistry. Psychology dropped 80 per cent.

Secretarial work continued the one most popular future choice of employment, 153 signing to attend conferences on that type of work. Nursing is the second most attractive with 72. Agriculture is third with 60.

## Dr. Hanson Speaks

Several conferences which are new this year have proven attractive to the students. Fifteen are attending an armed forces conference, 29 signed for dramatics, nine for fashion designing, 42 for state police and three for telephone operator.

Dr. Henry W. A. Hanson, president of Gettysburg college, welcomed the group at a general assembly in the Eddie Plank gymnasium at 1 o'clock. A concert by the Gettysburg college choir was given during the half hour long general assembly after which the students retired to the various conferences. At the conferences persons familiar with the field of work outlined the nature of the work and the training necessary to enter it.

It is impossible to enumerate the hundreds upon hundreds of instances, year after year, the Red Cross is called upon to render aid to stricken and afflicted areas. The service of the R.C. is far-reaching. It does not differentiate between race, creed or religion. All are treated alike.

Only recently floods in Indiana, Kentucky, Arkansas, Illinois and Missouri, resulting from heavy rains in early January, swelled the Mississippi, Ohio and Wabash rivers as well as many of their tributaries and forced thousands of families to evacuate their homes. And who was it that was called upon to take care of these stricken (Please Turn to Page 5)

## Mrs. Emma Myers Dies On Thursday

Mrs. Emma Estella Myers, 73, widow of the late David M. Myers, Emmitsburg, died Thursday evening at 7 o'clock at Johns Hopkins hospital, Baltimore.

## ELKS URGED TO CONTINUE FIGHT AGAINST ISMS

Approximately 300 Elks, including many from visiting lodges, gathered at the home of Gettysburg Lodge No. 1045 Thursday evening for a testimonial dinner in honor of John H. Bennett, Renovo, president of the Pennsylvania State Elks association.

In his address Mr. Bennett warned against the apathy of the American public in combating the various forms of isms which is permitting a drift into socialism. He stated that the major goal of Elksdom for the next few years will be the preservation of the old American heritage which in reality is a continuance of the Elks' program for the preservation of American Democracy.

"Let's awaken before we drift into communism and other isms in which there is no freedom. Our forefathers left security for one main purpose, the great advantage of freedom," Mr. Bennett said. "Elks are pledged to freedom of democracy and ask your full support to that program," the speaker added.

Mr. Bennett reported that the Pennsylvania State Elks association is regarded in Elksdom as the outstanding state association in the nation.

## Pitzer Honored

A highlight of the program was the announcement by F. J. Schrader, Chicago, Ill., assistant to the grand secretary for the past 23 years and oldest of the past state presidents, that H. Earl Pitzer, past exalted ruler of the Gettysburg lodge, is scheduled for the vice presidency of the state association this summer.

Howard R. Davis, Williamsport, a member of the board of grand trustees, told the gathering that the strength of Elksdom is generally considered to be found in the smaller lodges, such as Gettysburg, and it is from the smaller lodges that the main support is expected. He stated there are now 129 lodges in Pennsylvania with 85,500 members, making it the leading state association in the country. Mr. Davis will become grand exalted ruler of the Elks in 1951.

Glenn L. Bream, exalted ruler of the local lodge, presided as toastmaster.

Special music was furnished throughout the program by the Hanover Elks chorus who won the national title last year.

The program opened with the singing of "America" which was followed by the pledge of allegiance and invocation by Warren T. Dunn, Sr., chaplain.

Burgess William G. Weaver made the address of welcome to the visiting officers and lodge members.

H. Earl Pitzer introduced the visiting officers and members. Lodges represented included Carlisle, York, Columbia, Chambersburg, Middletown, Hanover, Lebanon, Kittanning, Ashland, Harrisburg and Pottsville.

Francis T. Benson, Kittanning, and Dr. Charles Hogan, Pottsville, a past state president, spoke briefly.

Presentation of a gift to Mr. Bennett and a corsage for his wife was made on behalf of the lodge by Mr. Bream and Mr. Pitzer, respectively.

## Youth Revival To Begin On Sunday

**ATOM SMASHER MAKES ANOTHER NEW ELEMENT**

Berkeley, Calif., March 17 (AP)—The atom smasher has produced another new element, a strange, invisible substance which seems to fit dramatically into the jigsaw puzzle of creation.

The discoverer is number 98 in the list of known elements which make up the universe. It does not now exist naturally on earth, but may have for a few fleeting minutes "in the beginning," when matter was formed.

The discovery was reported today by a team of University of California scientists working under contract with the Atomic Energy Commission. They are Dr. Stanley G. Thompson, Dr. Kenneth Street, Jr., Dr. Albert Ghiorso and Dr. Glenn T. Seaborg.

**Took Quick Action**

Number 98 is the sixth addition to the roster of elemental substances since the dawn of the atomic age. Before that, there were only 92 known elements and number 92 was uranium. All the new ones have come from building up uranium by bombarding it with nuclear particles.

Number 93 was neptunium, a short-lived substance which automatically turned into element 94, plutonium, the atom bomb fuel. Number 95, americium, and number 96, curium were next. Last January the research team found number 97 and named it berkelium after this university city.

The researchers produced No. 98 by bombarding curium with alpha particles, which are the cores of helium atoms. The result was the heaviest atom ever known. But it was so unstable that it turned into something else after a couple of hours. They had to work fast to identify it chemically.

The amount of the new element so produced was too small to be seen. However, they had been able to predict some of its properties. They knew it would have some relationship to element 66, a rare earth named dysprosium. This name comes from a Greek word meaning "hard to get at." With quick chemical procedures they confirmed the discovery.

**ANNUAL TEXACO**

## 18 TEAMS MEET FOR DISTRICT TITLES TONIGHT

Harrisburg, March 17 (AP)—Eighteen schoolboy cage teams hope to clinch their 1950 season tonight by winning a PIAA district crown.

The night's action will see five Class A and four Class B district finals in addition to a pair of eastern regional semi-finals in Class C.

Districts 1, 3, 5, 9 and 10 settle their Class A races tonight and in each a definite favorite has been established.

York's Bearcats are favored to defeat Chambersburg in the District 3 finals for the third straight year. Both teams drew an opening-round bye. York downed Ephrata while Chambersburg defeated Red Lion.

York, the defending eastern champion, lost all 11 regulars from last year's championship game. The Bearcats won the Central Penn title in a playoff with Lebanon, Chambersburg won the South Penn League title for the seventh straight year.

Haverford's once-beaten Suburban League combine is rated over Yeadon, its opponent in the District 1 finals at the Penn Palestra. Haverford, beaten only by the non-PIAA Hill school of Pottstown, eliminated Lansdale and Ridley Township in order while Yeadon downed Conshohocken and West Chester.

Somerset is expected to top Bedford again when the traditional District 5 contenders come together. Conemaugh Township high school floor in the first playoff appearance for both teams. Somerset won last year.

District 9 has a similar situation where defending titlist Bradford meets DuBois of the southern tier at Kane high school. Bradford's Owls lost only two games all season including one to Kane's 1949 Class B state champions and is favored to repeat.

Oil City is given the edge in its attempt to snatch the District 10 crown from Hickory at the Farrell high school court. Oil City lost only to Erie East and Warren and drew a bye in the semi-finals. Hickory knocked off Erie East, 48-26, last Friday.

**Saturday's Program**

The remainder of the district titles will be settled tomorrow night. Preliminary regional games are carded for next Wednesday night.

Tomorrow night's schedule finds Swoyersville vs. Plymouth at Kingsport in District 2, Shamokin vs. Williamsport at Lewisburg in District 4, Altoona vs. Conemaugh at State College in District 6, Farrell vs. Homestead at Pitt Stadium in District 7 and Allentown vs. Mahanoy City at the Penn Palestra in District 11.

Class B title matches are highlighted by unbeaten Irwin's bid for the District 7 championship in its game at Pitt Stadium against Avalon.

Other games find Sharon Hill meeting Upper Merion at the Penn Palestra in District 1; Lawrence Park drawing Mercer at Greenville in District 10 and Parkland tangling with Schuylkill Haven at Mahanoy Township high school in District 11.

A Kutztown-Susquehanna clash tomorrow night at Lebanon for District 3 honors winds up the title action.

Ashley, District 2; Sayre, District 4; Rockwood, District 5; Cresson, District 6; Kane, District 9, and Clarks Summit, District 12, already hold district titles.

Ashley, the defending eastern champion, won its title last night from Luzerne, 71-51, while Rockwood was topping Everett, 45-37, in the night's only activity.

Two eastern semi-final inter-district affairs are presented in the Class C playoffs. West Wyoming (District 2) plays Newton-Ransom (District 12) at Wyoming high school and New Holland (District 3) meets Clifton Heights (District 1) at Lancaster.

Southmont (District 6) and Fredonia (District 10) are ready for next Tuesday's western finals.

## Bullets Will Open Spring Grid Drills

Spring football practice at Gettysburg college will start Monday afternoon and will continue for four weeks.

Over 50 candidates are expected to report for drills including the group from the unbeaten freshman team of last fall.

Scrimmages with Shippensburg State Teachers' college and Mount St. Mary's college are expected to be arranged.

## Baseball Briefs

St. Petersburg, Fla., March 17 (AP)—The lineup of the New York Yankees is beginning to look more like the one that won the world championship last year.

Catcher Yogi Berra, late signing up for 1950, is back behind the plate and the team's regular second-baseman, Phil Rizzuto and Gerry Coleman, worked together yesterday for the first time this season.

Vero Beach, Fla., March 17 (AP)—Willie Ramsdell, 32-year-old Brooklyn Dodger "Rookie," will get another big chance tonight when he faces the New York Yankees in Miami.

Willie, whose chief stock in trade as a pitcher is a knuckle ball, had spotty trials with Brooklyn the past two seasons but was optioned out. He was successful with Fort Worth and Hollywood in recent years.

Sarasota, Fla., March 17 (AP)—Lefty Mel Parnell, the Boston Red Sox' 25-game winner a year ago, and Veteran Joe Dobson were named by Manager Joe McCarthy to face the Boston Braves in the opener of the five-game "City series" today at Payne Field. A back injury is expected to keep Third Baseman Johnny Pesky sidelined, but Vern Stephens may start his first game of the spring training season. The slugging shortstop stepped into the lineup for the first time and belted a three-run pinch homer yesterday as the sockers lost their first Grapefruit League decision, 7-6, to the Cincinnati Reds.

San Francisco, March 17 (AP)—Manager Lou Boudreau of the Cleveland Indians rubbed a smarting left hand today and probably thought it was just like old times.

The shortstop was clipped yesterday in Los Angeles by a fast ball off Rookie Pitcher Bill Connelly in the first inning of a Chicago White Sox-Indians exhibition contest. He stayed in the game, however, which was won by the Tribe, 5-4, in 11 innings.

Last season, Boudreau was stung three times by pitched balls, twice on the left elbow and once by a glancing blow from his shoulder to his head.

Lakeland, Fla., March 17 (AP)—The rain clouds that cut short an exhibition game Friday between the Detroit Tigers and the Philadelphia Phillies did a favor for Art Houtteman, Bengal pitcher.

When the downpour began, in the second inning, Houtteman began to be nicked for five hits, including a triple and a double. The shower lasted only a short time, but a muddy field prevented resumption of the contest.

Clearwater, Fla., March 17 (AP)—Six players have been sent by the Philadelphia Phillies to minor league affiliates.

The players marked yesterday for further seasoning were: Right-handed hurler John Walz, sent to Terre Haute in the Three-I League; Outfielder Charlie Hood and Pitcher Russ Bowers, to Toronto in the International League; hurlers Elmer Sexauer and Emanuel Amodio, to Wilmington in the Interstate League; and Outfielder Bill Look, optioned to Utica in the Eastern League.

West Palm Beach, Fla., March 17 (AP)—Connie Mack says the surprise of the Philadelphia Athletics' spring training camp is the performance of Third Sacker Tod Davis, drafted last year from Hollywood.

Davis developed a sore arm in spring training a year ago and had a poor season. But, said Mack yesterday, Davis' play Wednesday against the Brooklyn Dodgers:

"Davis surprised me. I did not think he had such play in him. He handled 10 chances. . . . Some hard ones. . . . His arm looked strong. . . . He made two hits. . . . The sacrifice he made proves he can hunt."

San Bernardino, Calif., March 17 (AP)—Manager Billy Meyer of the Pittsburgh Pirates is shopping for a catcher.

Meyer said he's not satisfied with his present setup which includes Catchers Clyde McCullough, Eddie Fitzgerald and Earl Turner. He wants a man who can hit 300 and none of the trio did that last season.

McCullough hit only 237 for the Bucs in 91 games and Fitzgerald 263 in 75. Turner, who played 99 games with Indianapolis of the American association, matched Fitzgerald's average.

St. Petersburg, Fla., March 17 (AP)—Three veteran St. Louis Cardinal pitchers are slated for mound duty today in an exhibition game against the Washington Senators.

They are Howard Pollet, Max Lanier and Ted Wilks. Redbird pitching honors yesterday went to Gerald Staley, who held the Boston Red Sox to one hit in his four innings. That's longer than any Cardinal pitcher has gone this spring.

## Sports Roundup

By HUGH FULLERTON, JR.

New York, March 17 (AP)—The Lower House of the New York State Legislature has passed a bill for bidding morning-afternoon or afternoon-night baseball bills with separate admission charges. . . . Carried to extremes, this two-for-one idea would require all movies to be double features, basketball cards double-headers, fights double-windups and maybe that all winning race horses should pay at least 2 to 1. . . . And Coach Stan Woodward of the N. Y. Compass suggests a "second drink on the house" bill, too. . . . Before he gets into the ring for tonight's scrap with Ray Farnoch, feather-weight champ Willie Pep probably will qualify as the world's most-examined fighter. . . . there was a preliminary examination; another before he received a New York license; a third at the weigh-in and a quick checkup just before entering the ring. . . . and after signing for the bout his cautious manager, Lou Viscusi, decided he should have his own head examined for taking on a fighter he hadn't scouted.

**A HECK OF A NOTE**

When the Chicago Cardinals signed (not drafted) a speedy back named James Gus Kallas from St. Olaf college in Minnesota, tub-thumper Eddie McGuire sent him the usual personal questionnaire. . . . one question was "do you play a musical instrument?" . . . James Gus filled the blank space with "tissue paper wrapped around a comb."

**ONE-MINUTE SPORTS PAGE**

Davis and Elkins, one of the teams in the NAI Basketball Tournament, won't have a gym until next season, when the task of erecting a former Navy building is completed. Meanwhile the basketballers have to sand-wich practice sessions in among assorted other activities in the Elkins. W. Va., high school gym. . . . Joe Carver, traded to the Detroit Red Wings by the Canadians early in the season, may play 71 hockey games this winter, one more than a club's full schedule. . . . Jim Thorpe starts a new career in Buffalo in ten days from now, "managing" an Indian wrestler named War Cloud. . . . The kid had better be good or old Jim, at 62, may get in there and throw him.

## Community Cage League

The Glenn L. Bream garage quintet defeated their arch rivals, the Texas Lunch, 54-44 Thursday evening on the high school floor to win the Community Cage League championship tournament. Previously the gargemen had finished in first place during the regular league season.

For most of the first three periods the game was a nip and tuck affair. At half time the Bream quint led 24-23 and early in the third period the lurchmen surged ahead. However, the champions came back strong to clinch the decision. Sites connected for 15 points to top the winners while Fryling paced the losers with an even dozen.

The Waynesboro Independents, composed of a number of former Waynesboro high players and two from Gettysburg, topped the Motor Marketeers 58-54 in the second game of the evening.

## ADAMS COUNTY LOOP TO HAVE SIX ENTRIES

The Adams County Baseball league will be composed of but six teams during the coming season it was decided at a meeting Thursday evening at the American Legion home.

Members will be Hanover, Fairfield, Orrtanna, Arendtsville, New Oxford and Littlestown. A 21-game schedule was voted. The season will open on Saturday, April 22. Single games will be played Memorial Day with double-headers on July 4.

Each team posted a \$50 forfeit at the meeting.

Francis Keffer, president of the Adams County Umpires association, told of the plans for his group for the coming season after which the league voted to employ umpires of the association.

Roy Hartzell, Arendtsville; Bernard Weaver, Littlestown, and Don

Bream, Gettysburg, were named as a committee to draw up the schedule for the coming season. It was decided to print 1,800 schedules for distribution.

The next league meeting will be held Thursday, March 30, at 7:30 p. m. at the Legion home.

The total number of telephones in the United States is given as 38,000,000, or three-fifths of the world's total of 66,000,000.

## Today's Talk

By GEORGE MATTHEW ADAMS

ELABORATE COURTESY

In one of the most interesting books by the late E. V. Lucas, the English writer and publisher, I came across this line: "And the thought struck me that there can be no defense like elaborate courtesy." He had been talking to the great Polish writer, Joseph Conrad, who inspired the remark.

When we go into a store to buy something, about which we have a definite idea, we hope to meet with the utmost courtesy on the part of those who may serve us. If we are defeated in this, the store is the loser, not us. I am reminded of a big St. Louis store that celebrates each year a day which they term as "earnings for courtesy," and they emphasize the idea by all the workers in that store wearing a carnation. When I read about this it made me want to go into that store and buy something just to add my applause to such an idea.

In my early selling days I travelled from coast to coast and met all sorts of men to whom I hoped to sell my wares, and this is what I discovered: the easiest to talk to, and the men of most influence and power, were the most courteous to me. Big men are big in courtesy. You feel this about Lincoln in all the books about him. He was always courteous and kind to the humblest as well as to the greatest.

I recall a true story about an elderly lady who went into a New York department store as it was about to close. No one paid any attention to her but a young man who gave her the utmost in courtesy, while all others were in a hurry to leave the store. That woman happened to be Mrs. Andrew Carnegie who later sent in a big order to be executed for her castle in Scotland, with the specific instruction that no one but that young man should be sent to carry it out!

Nearly every day in my town I have formed the habit of eating at a certain restaurant, largely for the reason that everyone is so pleasant and courteous there. There are no spiritual entrees upon the menu card, but one or more are served to you, anyway—at no extra charge! These might be termed courtesy entrees. No wonder this place is crowded each day!

Tomorrow Mr. Adams will talk on the subject: "On Missing the Familiar."

ST. PATRICK'S CATHOLIC

But countless priests have died  
And unto them no day of feast  
Has since been set aside.

Unto the humble and the low  
A friend he tried to be,  
And though he lived long years ago,  
Remembered still is he.

'Twas this that made St. Patrick  
great:  
His life to mercy ran.  
He never harmed his faith with hate,  
But loved his fellow man.

## ELLIS GIMBEL, PHILANTHROPIST, EXPIRES AT 84

Philadelphia, March 17 (AP)—Ellis A. Gimbel, Sr., department store owner and philanthropist, died today at his home after an illness of four days. He was 84.

With him when he died were his son, Ellis A. Jr., a daughter, Mrs. Fridolin Graham, and a daughter-in-law, Mrs. Richard Gimbel. The elder Gimbel's wife died in 1948.

Ellis Gimbel was widely known in the business world as the "Dean of department store-keeping." With six brothers and his father, he founded a store system that now includes branches in Philadelphia, New York, Pittsburgh, Chicago, Detroit, Beverly Hills, Calif., and Miami, Fla. Since 1936, Gimbel—last surviving brother—had served as chairman of the board of Gimbel Brothers, Inc.

### Gave Girl Piano

He was credited with being among the first department store owners to adopt such innovations as store escalators, motor-driven trucks for delivery, and a testing bureau for merchandise.

He was well known for his philanthropies, devoting much of his time and wealth to the blind and underprivileged. Literally thousands of Philadelphia children were taken to the circus by Gimbel in recent years. Gimbel-sponsored Thanksgiving Day parades are Philadelphia fixtures.

One of the most frequently told stories about Gimbel concerned a little girl who went to the Gimbel store in Philadelphia after reading a newspaper advertisement stating piano could be bought for "a mere song." Gimbel was informed of her misunderstanding of the advertisement. He talked to the youngster, told her to sing for him and gave her the piano she had expected.

Gimbel was born in Vincennes, Ind., November 9, 1865. His father, Adam Gimbel, came to the U. S. from Bavaria in 1935 with a total of \$5.

## GOP ASKS CUT IN APPROPRIATIONS

Washington, March 17 (AP)—House Republicans aimed a new \$2,000,000,000 cut today at a lump sum \$30,000,000,000 appropriation bill already tentatively trimmed by \$1,200,000,000.

The bill carries most of President Truman's budget recommendations for federal agencies for the 1951 fiscal year, starting next July 1. It is due to be considered by the House appropriations committee starting next Monday and is slated for floor debate March 27.

The tentative reduction was reported by members of the powerful "central" subcommittee of the appropriations group. The cut does not affect foreign aid funds, nor does it apply to the so-called permanent and indefinite appropriations and trust funds which cannot be trimmed. All together they account for about \$12,000,000,000.

The committee action would make the federal deficit for the fiscal year 1951 about \$4,000,000,000—assuming that Congress sticks to its apparent determination not to raise taxes this year.

Another cut of \$3,000,000,000 in the omnibus measure would lower the anticipated deficit to \$1,000,000,000, and that is what GOP fiscal leasers are driving for. "If we are going to get close to a balanced budget, this bill ought to be around \$26,000,000,000," Rep. Taber (R-N.Y.) told newsmen. Taber, top Republican on the appropriations group, would not comment on the reported cut of \$1,200,000,000 already tentatively made.

thousands? The RED CROSS! Hundreds of other similar instances are handled by the Red Cross every year. It requires millions to feed, clothe, house and render medical care to those afflicted every year. Hence, those of us who escape these disasters and tragedies should be generous in our donations as our share of the expense in this humanitarian work. If everyone will give something, according to his means, the Red Cross will reach its goal.

This is what General MacArthur recently said:

"The American Red Cross deserves praise for its services during the past year in behalf of our troops in the Far East Command. Its recreational, social, and welfare activities for both ill and able-bodied soldiers have contributed immeasurably to the cause of high morale. This organization's extensive water safety and first aid programs have resulted in the saving of lives and the prevention of much unnecessary suffering."

If you haven't donated your share please do it TODAY. Give what you can, but, at least, GIVE something and help lighten the burden of those who are in need.

## "War" With Germany Is Being Continued

Washington, March 17 (AP)—The Western allies have decided to shelve for the time being a proposal to end the formal state of war with Germany.

Diplomatic officials said today that the U. S., Britain and France agreed that termination action would threaten a tangle of legal complications—particularly for this country—which the three occupation powers are unprepared to tackle now.

Accordingly, a meeting of legal experts at London has been called off. Further active consideration of the idea has been postponed until a forthcoming spring meeting of the big three Western foreign ministers.

The proposal has been under study since it was advanced by Britain at the Paris Big Three meeting last fall.

## Littlestown Lions See Film ON HUNTING TRIP

The committee in charge of the annual Amateur show, to be presented under the auspices of the Littlestown Lions club on Thursday, April 13, in the Littlestown high school auditorium, reported that progress has been made on plans for the show, at the semi-monthly meeting of the club, held Thursday evening in Bankert's Littlestown restaurant.

It was decided that the next meeting of the club which will be Thursday, April 6, will be a dinner meeting only, as it falls in Holy Week, and there will be services in all of the churches.

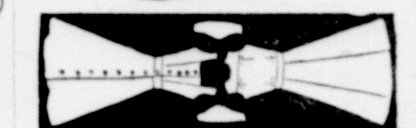

The program on Thursday evening, consisted of moving pictures of the Canadian hunting trip enjoyed during the past season by Lona Robert L. Crouse and Karl P. Bankert. They were shown by John D. Basehoar with Crouse and Bankert as narrators. A cartoon entitled, "Bullet on Wheels" was also shown.

A contribution of \$10 was voted for immediate assistance to a needy family residing near town. It was also reported that \$10 had been given recently to a destitute couple, to provide them with a meal, lodging and a bus ticket to their home, from Littlestown.

The program on Thursday evening was in charge of a special committee composed of John P. Feaser, John R. Bloom and Chester S. Byers. The next meeting will be in charge of the Greeter committee, composed of the Rev. Kenneth D. James and Harry T. Harner.

A food sale will be conducted by the Senior class of Littlestown high school, Saturday morning beginning at 9 o'clock in the store room of J. Arthur Boyd, East King street.

## Cat Saves Nine Lives

London, March 17 (AP)—Here's a switch: A cat saved nine lives today.

The cat scratched at the bedroom door of Mrs. Eva March until she awakened to find her house ablaze. Mrs. March, her husband, their four unmarried children, a married daughter and her husband and a grandchild escaped. The house was badly damaged.

Adams District Missionary conference of the Central Pennsylvania Synod of the United Lutheran Church of America will hold its spring meeting Tuesday, April 11, at St. David's (Sherman's) church, York county near Hanover, the Rev. A. M. Hollinger, pastor. A detailed program will be announced later. Officers of the Adams district are: President, Miss Jean Thomas, Biglerville; vice president, Mrs. Luther McDonnell, Gettysburg; secretary, Mrs. Alvin Groft, Littlestown, and treasurer, Mrs. Robert Schiebel, Hanover.

The National Geographic Society says summers on Hainan Island, off the China coast, are oppressive because of calm rather than heat.

REQUEST FOR BIDS

The Board of County Commissioners of Adams County, Pennsylvania at 10:00 o'clock, Wednesday morning, March 29th, 1950, at their office in the Adams County Court House, at Gettysburg, Pa., will receive sealed bids of proposals for painting the exterior of the court house (two coats) in accordance with specifications on file in the office of the Commissioners, at the Court House. These specifications will be available to prospective bidders during regular office hours.

The acceptance of bids shall only be made by public announcement at said meeting or at a subsequent meeting, the time and place of which shall be publicly announced when the bids are received.

The successful bidder shall be required to furnish a bond with suitable reasonable compensation, guaranteeing the work to be done with sufficient surety in the amount of fifty per centum (50%) of the amount of the contract, within twenty days after the contract has been awarded. He shall also submit satisfactory evidence that he has accepted the provisions of the workmen's compensation act of 1915 and the amendments and amendments thereto and has insured his liability thereunder.

The right to reject any and all bids shall be reserved to the Board of County Commissioners.

By Order of the Adams County Commissioners

CLARENCE C. SMITH,

Chief Clerk.

BIDS REQUESTED

The Commissioners of Adams County, Pennsylvania will receive sealed proposals covering the following:

Alterations and additions to the several basement, roof and the first floor corridor, of the Adams County Court House, Gettysburg, Pennsylvania.

On and after March 6, 1950, drawing and specifications for the above work can be secured from the undersigned at the Office of the County Commissioners, in the Adams County Court House, Gettysburg, Pennsylvania, upon deposit of ten dollars (\$10.00) per set, which deposit will be refunded in full if the specifications are returned in good condition accompanied by a bona fide bid.

Each bidder must deposit with his bid a Certified Check or Bidder's Bond in the amount of \$200.00, same to be made payable to the Commissioners of Adams County, Pennsylvania.

Successful contractors must furnish and pay for Labor and Materials and Performance Bonds equal to the full amount of the contract and in form as called for in the contract documents.

All bids must be signed, sealed and properly marked "Bids for Alterations to Basement" and delivered to the Chief Clerk of the Commissioners at the above office not later than 2:00 p. m., March 22, 1950, at which time all bids will be publicly opened and read.

The Board of Commissioners reserves the right to waive any informalities in or to reject any or all bids.

CLARENCE C. SMITH,

Chief Clerk,

Board of Commissioners of Adams County, Pennsylvania.

## Cat-In-The-Kiln Test Is Completed Proving "Calico Cat" Really Fire Resistant

Minerva, O., March 17 (AP)—The Minerva's celebrated cat-in-the-kiln test was completed today. The experimenters said they found:

That Miracle, the Calico cat, really was fire-resistant.

That she could have lived for 36 hours in a brick kiln, where the temperature reached 900 degrees.

"Now," exclaimed Joe Bucola, superintendent of the brick plant, "maybe they'll believe we're not a bunch of liars."

Miracle, a stray feline, staggered out of one of Bucola's kilns March 5. Her fur was singed; an inch and a half of her tail was burned off, and her paws were badly burned. But she was alive.

The cat tale was scorned by some experts. So a test was undertaken to prove the story.

Because it would have been sinful to put the cat back into the kiln, a synthetic cat was substituted. It was made up of a sirloin steak wrapped in a second-hand sealskin hat.

This prefabricated cat was placed

in the kiln Wednesday. Again the temperature was raised to 900 degrees. This morning, 36 hours later, the kiln was reopened.

One end of the package—steak and fur—was burned to a crisp. But most of the package was in good condition. The fur was soft and the steak was tender and juicy.

A thermometer wrapped in the synthetic cat still registered 320 degrees. And this was hours after the kiln's heat had been turned down.

Mrs. Twila Carman, who conducted the test, asserted: "I think that shows that the cat could have lived."

Mrs. Carman is Minerva correspondent of the Canton Repository, who first reported the story of Miracle's 36-hour siege in the fiery furnace.

Explaining her conclusion that the Calico cat was fire resistant, she said: "I think this is a very severe test, for the cat is living tissue and living tissue would withstand the heat much better than the materials used in the test."

## Two Men Killed In Picatinny Blast

Dover, N. J., March 17 (AP)—An explosion ripped through a rocket powder blending building at Picatinny arsenal today killing two men.

Cause of the blast was not immediately determined.

Authorities said the victims, James E. Doyle, 50, of Dover, and Daniel H. Costello, 33, of Rockaway, were alone in the small building when the explosion occurred.

The building, situated several miles away from the main part of the arsenal, was used for blending and screening rocket powder, officials said. It was demolished by the blast.

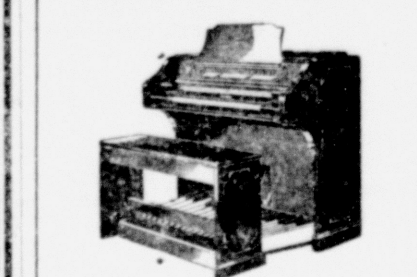

Three other men working nearby were injured slightly.

Maybe This is the Year!

A great many people have been saying that—if their luck keeps pace with their dreams—they're going to own a Cadillac one of these years.

If you are among them—and we hope you are—this may be the year. Listen . . .

. . . Cadillac has built a great new car, for 1950, that is just as practical to own as almost any car you would consider buying.

It is the new "Sixty-One"—and it is priced lower than the highest-priced models of a number of other cars you would never think of as in the same class with Cadillac.

Furthermore, this new Cadillac will give gasoline

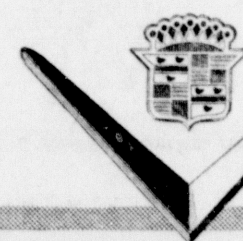

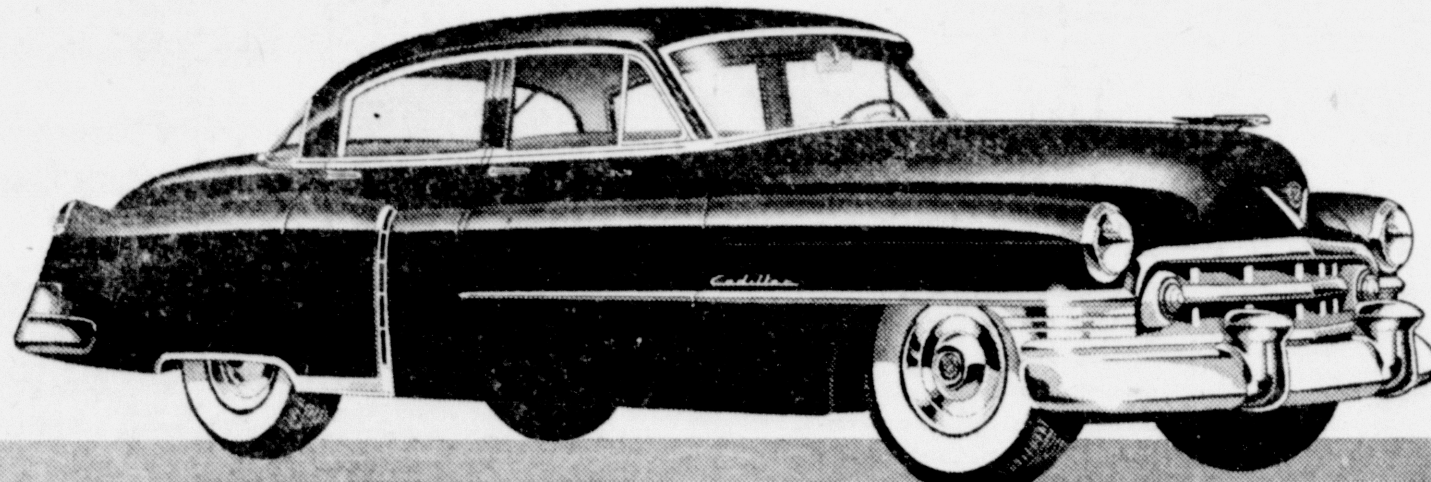

mileage which actually approaches that of the lowest-priced popular cars.

Yes—from the standpoint of practicality—you've lost about your last logical reason for waiting any longer to buy a Cadillac.

And, oh, the things that say you ought to buy one—right here and now!

There's Cadillac's irresistible beauty—its delightful performance—its world-wide prestige—and its unbelievable endurance and length of life. Truly you'd find every motoring experience enriched and enlivened if you owned this magnificent car.

Better come in today—and find out whether this is the year! We'd be delighted to see you.

USED TRUCK  
Can You Tell Whether It  
Will Be A  
BOON or a PAIN?

If you get what you need, and it does the job you want it to do, a used truck is money in the bank.

BUT if you get one that turns out to be a trouble-tidden oil burner - it's a pain in the neck - only more expensive.

Every single one of our used trucks are gone over thoroughly by factory-trained mechanics before being offered for sale, so that you will make a permanent happy customer if you buy.

# IRISH MARCH IN BIGGEST PARADE FOR ST. PAT'S DAY

New York, March 17 (AP)—Flanagan, Hannigan, O'Toole and O'Flynn. The boys from Cork, Kerry, Dublin and Limerick will swing up Fifth Avenue today in the world's largest St. Patrick's Day parade.

Murphy, Kelly, Sullivan and O'Brien. Transplanted Irish from Gaelic-speaking fishing villages, from mountain cottages, from Dublin's fair city will march proudly past St. Patrick's Cathedral in honor of their beloved saint.

Patrick's Muldoon, Hogan and Moran. They and their dark-eyed men will get the day's festivities started when the two-and-one-half mile march gets under way at noon.

To Last Five Hours

It will last at least five hours, and the marchers were all in one line would stretch over 15 miles—more than the length of Manhattan island itself.

Always the world's biggest parade on the saint's day, this year it is the "biggest ever"—expected to surpass even New York's previous efforts.

There are more Irish in New York city than in Dublin. A good share of them will be on hand.

The weather prediction for the slow-rolling green wave was fair with brisk winds to lift the banners. But the weather doesn't really count. This is one parade that always marches—come rain or drought, scorching sun or drifting snow.

Million To March

In addition to the 100,000 marchers, about a million other persons will watch from the sidewalks and the windows towering above the street. To hold the crowd in check, almost 4,000 policemen were assigned to the march route, which starts at 44th street and ends abreast of Central Park at 94th street.

As always, there are two main reviewing stands. One, on the steps of St. Patrick's Cathedral, recognizes the religious meaning of the day honoring the man who brought Christianity to Ireland 1,500 years ago. Catholic clergy will be on the cathedral steps—although one familiar face will be missing, Francis Cardinal Spellman, archbishop of New York, is absent on his Holy Year pilgrimage to Rome.

The other reviewing stand is at 64th street, where civil authorities take the salute. Here Irish-born Mayor William O'Dwyer and New York state's lieutenant governor, Joe R. Hanley, will stand. Another familiar face will be missing here, too, Gov. Thomas E. Dewey, recovering from a shoulder operation, planned to attend but was forbidden by doctor's orders.

SERGEANT KILLED

Seattle, Wash., March 17 (AP)—A 23-year-old Army sergeant from Morristown (Clarkefield county) Pa., was killed yesterday in an automobile accident. The dead man is St. James Tatnash, son of Mrs. Anna Tatnash. He had been stationed with the

# Cops Search Luggage For \$8,400 Diamond

Pittsburgh, March 17 (AP)—Police are searching 35 pieces of luggage today to find an \$8,400 diamond ring an Arlington, Va., woman is charged with helping to obtain by fraud.

The woman, Mrs. James L. Endicott, 40, was arrested in a hotel at the request of Richmond, Va., authorities. They filed charges of grand larceny against her.

Dressed in expensive clothes and holding a French poodle she said she didn't want to take to jail, Mrs. Endicott denied any implication in the fraud. Both she and the poodle were placed in a cell to await arrival of Richmond police.

Virginia officers are holding Mrs. Endicott's husband, James L. Endicott, 63, on a charge of obtaining the ring from the Schwarzschild jewelry store in Richmond with a false check.

# NAVY PUSHING SUB DEFENSES

Washington, March 17 (AP)—Its funds and strength clipped sharply, the Navy is pressing a top-priority program to deal with the submarine menace in any future war.

But naval strategists made plain in disclosures to Congress that they are not too happy about the state of the Navy's readiness.

They said the billion-dollar budget cut they are taking means the fleet air arm will have to fall back on second-line aircraft next year, while combat ship strength will be trimmed to 239 vessels from the present 288.

Presenting a \$4,008,700,000 spending figure for the 12 months starting next July 1, Adm. Forrest P. Sherman of Naval Operations, said the Navy is following the old maxim of doing the best it can with what it has. Of all the thinned-down programs, he said, submarine defenses "come first."

Throughout the Navy's appropriation requests ran evidence of veiled concern over Russia's reported concentration of her submarine fleet—especially her adaptation of the elusive snorkel-type subs. These subs, perfected by the Germans, can remain submerged for long periods by using a chimney-like "breathing" device.

The Navy is earmarking more than \$190,000,000 in 1951 for research and development. Most of it, it was indicated, will go for gadgets to track and kill "snorkels," which are now able to evade conventional search methods.

Pittsburgh, March 17 (AP)—Max Mandel, named as a Communist by former FBI undercover agent Matt Cyette, has been discharged as first violinist of the Pittsburgh Symphony orchestra. Hal C. Davis, president of Local 60, AFL-Pittsburgh Musical society, said yesterday that Mandel also was expelled from membership in the society and the American Federation of Musicians.

Second Infantry Division at Fort Lewis. He was killed when his car skidded on a curve of a slippery highway and overturned.

# GIVES WORKERS AUTOMOBILES

York, Pa., March 16 (AP)—Dallas E. Winslow, owner of four industrial plants, passes out automobiles to his employees.

All of Winslow's employees, working in four different states, can get a new car from their boss for free, if they want one. The company retains ownership, but the recipients have free use of the cars.

"It's a wonderful feeling," he said here today. "I don't know how to put it into words, but I believe that I am more to be envied than the recipients."

Winslow, grandfather of two boys, ten and 13 years-old, was in town to take a hand at running his Frazer farm equipment corporation plant, makers of garden tools.

He also is president of the Buckeye Power and Hand Mower company, at Springfield, Ohio; the Ideal Power Lawn Mower company, in Springfield, Mass., and the Auburn, Cord and Duesenberg company, makers of automotive parts at Auburn, N. Y. Winslow said that since early March he has purchased some 210 cars for various employees in the four plants. He employs about 290 persons all told.

He said the cars were supposed to go to every employee with service of a year or more for their "service, cooperation and loyalty." However, he pointed out that autos have been going to his York employees also even though he has owned the firm less than eight months.

Taipei, Formosa, March 17 (AP)—Pres. Chiang Kai-shek took direct control of National Chinese armed forces Thursday. The office of south-east Asia commander, who was in command of Formosa armed services, was abolished. Premier Chen Cheng held the post until he took the premiership this week.

Miss Mary Harbaugh entertained the bridge club Monday evening.

Miss Jean Woods was an additional guest. Prizes for high scores were won by Mrs. Clarence Wilson and Mrs. J. Warren Martin.

The Girl Scout troop committee president, Mrs. Ira Henderson, presided at the meeting held Wednesday evening in the Scout room. Mrs. Robert Willis and Miss Lois Muselman, Brownie troop leaders, announced that the troop made St. Patrick's Day favors to be presented to the children patients in the Warner hospital.

Robert Willis, chairman of the Boy Scout drive, announced that the solicitations from this district amounted to \$121.

Mr. and Mrs. Frank Conrad, Waynesboro, spent Sunday with H. L. Harbaugh and family.

# Charge Couple As U.S. Tax Evaders

Milwaukee, March 17 (AP)—A wealthy Milwaukee man and his wife were named yesterday in warrants charging evasion of income taxes in amounts government attorneys said may exceed \$1,000,000.

Government attorneys said charges against Michael Shapiro, former head of at least nine Milwaukee companies, and his wife, Rae, covered only a portion of their operations.

U. S. Attorney Timothy T. Cronin said the warrant was issued to stay the statute of limitations and additional charges may be brought before a grand jury. He said the amounts of alleged income tax eva-

tion might run more than \$1,000,000.

The complaint specified only that Shapiro sought to evade the income and victory tax owed by Rae Shapiro for 1943. It said a tax return signed by Mrs. Shapiro showed income of \$25,656 and tax of \$9,310, whereas, according to the government, her actual income was \$68,967

and tax due was \$42,040. A similar allegation was made in relation to 1944 tax.

## SAYS LEWIS HAD 'SECRET SIGNAL'

Canton, Ill., March 17 (AP)—The ousted president of a United Mine Workers local union said today John L. Lewis secretly ordered his miners not to heed the February 11 court injunction which directed them to return to work.

Lloyd H. Sidenor, 44, former president of Local 7455, Canton, said in an interview that Lewis, while publicly ordering his miners to end the strike, used a system of secret signals down through the ranks which ordered them to continue the strike.

Sidenor filed unfair labor practices in Chicago against the UMW before the National Labor Relations Board. He alleged the union fined him \$50,000 for attempting to return to work February 24, and fixed an additional penalty of \$25 for each additional day he might try to work. He said he also was ousted as president of the local union.

He said Lewis sent telegrams ordering the miners to return to work four hours after he was served with a Federal District Court injunction.

## ACHESON LISTS REQUIREMENTS OF WORLD PEACE

By DEWITT MACKENZIE  
(AP Foreign Affairs Analyst)

Soviet Prime Minister Stalin, First Deputy Vice Prime Minister Molotov, and other prominent members of the Moscow hierarchy have been preaching the gospel that, after all, it is possible for communism and capitalism to live together in peace and harmony.

They have hammered at this thesis persistently despite the fact that it is in direct contradiction of one of the cardinal tenets of Lenin's own creed. He said there isn't room enough for both isms in the world, and that capitalism must be killed.

There has been vigorous tub-thumping in the Red camp. Clearly they have been trying to attract the attention of the western world.

### Issues Warning

Yesterday U. S. Secretary of State Acheson made a major statement of American policy at the University of California, telling Russia exactly how she could achieve peace. In effect he called on Moscow to fish or cut bait in this matter.

At the same time he told his audience bluntly:

"I fear, however, that I must warn you not to raise your hopes. 'No one who has lived through the postwar years can be sanguine about reaching agreements in which reliance can be placed and which will be observed by the Soviet leaders in good faith.'"

### What He Asks Of Russia

Among the steps which Acheson called upon Russia to take was joining with the western allies in drawing up peace treaties for Japan, Germany and Austria, without trying to make them satellites. Russia should stop using her military forces to maintain Red governments in the satellites.

The Soviet Union should quit its obstruction in the United Nations so that the organization could function normally. And Moscow should join in establishing atomic control and limitation of armaments.

The secretary dealt with one of the chief bones of contention when he declared that Russia must stop using communist party apparatus to overthrow established governments "with which the Soviet government stands in an outward state of friendship and respect." Acheson didn't specify, but this obviously would include all countries which are suffering from fifth column activities—America, Britain, France, Italy and where not.

Russia also must quit kicking American diplomats about and treating them as "criminals."

There is no real evidence, as far

## King George Gives Guards Shamrocks

London, March 17 (AP)—King George VI gave the Irish guards—the "Micks"—Irish shamrocks today in celebration of St. Patrick's Day and the regiment's fiftieth birthday.

The King, colonel-in-chief, handed over the greenery at a regimental parade at Chelsea barracks here. Queen Elizabeth, Princess Elizabeth and Field Marshal Viscount Alexander, governor-general of Canada and commander of the regiment, were there.

So was Mrs. Josephine O'Keefe, of Rosscarbery, County Cork, Ireland. The shamrock had been flown over from her garden.

It was in 1900 that Queen Victoria commanded that the Irish guards be founded in honor of the bravery of Irish regiments in the Boer war.

## SIX PRISONERS SUFFOCATED BY BLAZE IN JAIL

Spray, N. C., March 17 (AP)—Six prisoners—five men and a woman—perished in the Spray jail today after a mattress caught fire. Three were white and three negroes.

The fire was found by Desk Sgt. P. L. McBride when he went to the second floor of the city hall building to lock up another prisoner. The time was 2:40 a.m. (EST).

All of the six who died had been charged with public drunkenness.

**Fire May Have Been Set**  
Police said there was a possibility that one of the six—all faced trial this morning—had deliberately set the fire. The jail was only slightly damaged.

The victims were Lucille Wimbush, 30; Junior Yarborough, 22; and Marion Morrison, 25; all white; and Harvey Cole, 34; Joe W. Willis, 21 and Bonnie Martin, 34; negroes.

They apparently were asleep when the fire started, and were suffocated. Spray is a textile town in north central North Carolina. Many of the Marshall Field industries are located here.

as I can see, that Moscow has any intention of halting the drive to communize the world. It is the essence of present day communism.

Moscow's attitude toward Acheson's statement will illuminate this point.

An explosion tossed slabs of concrete and a large column of smoke rises as a bunker of Germany's once vaunted Siegfried Line is destroyed in the French zone of Germany. This is one of the last of 10,000 bunkers and tank traps of the line to be destroyed. After five years of work, the last vestiges of the fortifications are disappearing from the countryside. Razing cost has amounted to about \$5,000,000 and the lives of 36 men, including one French officer.

## "ANNIE" BOWS TO NEW HIGHWAY

Denver, March 17 (AP)—Clear Creek Annie bows to the march of progress today, but she isn't giving in completely.

Highway crews have court authority to cross the property of the 63-year-old miner, Mrs. Annie Davis, to start a bridge across Clear creek. Gun-toting Annie lives in a converted railroad car right in the path

of a \$3,500,000 highway the state wants to build. She had said she wouldn't move.

But her brother, Ivo Lee, said he didn't think she would bother the workers now if they don't bother her.

However, the court specified that Annie's railroad car home isn't to be touched until April 22. That's her deadline for moving out of the path of the highway. Meanwhile, her attorneys and the state will try to get together on a price for her 80-acre claim.

Workers have to start on the bridge before spring thaws swell Clear creek to flood stage.

## LINDSTROM TO FIGHT BERGMAN

Los Angeles, March 17 (AP)—Ingrid Bergman is coming back to the United States and her husband, Dr. Peter Lindstrom, is preparing to meet her headon in the fight for custody of their 12-year-old daughter Pia.

It will be the first face-to-face showdown between the couple since the actress went to Stromboli, fell in love with Roberto Rossellini and had a child by him.

The stage for a tense courtroom drama was set yesterday as:

1. Miss Bergman's attorney, Gregson Bautzer, said the actress will be a witness when the case comes to trial, will leave Italy as soon as the trial date is set, and "is determined to make the fight of her life for Pia."

2. Dr. Lindstrom, the quiet brain surgeon, finally came out swinging with an announcement, through counsel, that he will charge Ingrid is unfit to have custody of the child.

Moreover, the Swedish doctor will counter with a demand for a divorce here. His attorney, Isaac Pacht, termed the Mexican divorce which

Miss Bergman obtained February 9 "a complete nullity—Mexico having jurisdiction over neither Miss Bergman nor Dr. Lindstrom."

## Gibbs To Die In Electric Chair For Marian Baker's Murder; Will Appeal Case

Lancaster, Pa., March 17 (AP)—A sobbing Franklin and Marshall college student was marked last night for death in the electric chair in the "impulse" slaying of Marian Louise Baker.

A jury of seven men and five women found dark-haired Edward Lester Gibbs, 25-year-old senior from Pittman, N. J., guilty of first degree murder with the death penalty mandatory.

The verdict came after the jurors had deliberated four hours and 45 minutes.

**"Impulse" Murder**  
Gibbs' attorney, W. Hensel Brown, made an immediate oral motion for an appeal and said he would file a written plea within the allotted 15 days. If the motion is denied, Brown said he will appeal to the state supreme court.

Gibbs steadfastly maintained throughout his four-day trial that he killed the pretty 21-year-old F&M secretary "on an impulse" after they drove to a "petters hang-out" near here last January 10.

The youthful married student broke into tears and sobbed as the verdict was returned at 9:10 p. m. EST. A nurse and Deputy Sheriff Elmer Zerphey, who sat with Gibbs throughout the trial, attempted to comfort him.

**1st In County History**  
The verdict of guilty of murder in the first degree with the death penalty marked the first such finding by a Lancaster county jury. Several death sentences, however, have been imposed by judges in this county, heavily populated by members of the Amish and Mennonite faiths—both opposed to capital punishment.

If the former Air Force veteran goes to the electric chair, it will mark the eighth electrocution in the county's history. The last was in 1922.

Gibbs' father, J. Lester Gibbs of Pittman, N. J., collapsed in the courtroom as his tearful son, handcuffed

to Deputy Sheriff Zerphey, was led away.

**Father Stricken**  
A cot was brought into the courtroom for the elder Gibbs and two physicians were summoned to aid the stricken man. Later he was able to walk out of the courtroom, assisted by friends.

The elder Gibbs had suffered a heart attack on January 18 after his son was arrested and admitted "bludgeoning" Miss Baker and stuffing her body under a summer cottage two miles south of here.

Numerous witnesses during the trial related over and over the story Gibbs told state police when he surrendered on January 18.

He said he met the Baker girl outside the Lancaster post office. They drove to a section south of the city, eventually stopping near a summer cottage.

**Says Mind Went Blank**  
Gibbs related how he stopped the car and "on an impulse" choked Miss Baker. He said his mind went blank after he choked her and he didn't "remember any thing until I saw blood on my hands and the lug wrench" which was used to beat the girl to death.

Two prominent Philadelphia psychiatrists, Dr. Edward A. Strecker and Dr. Baldwin Keyes, both testified Gibbs was legally sane but differed over the question of a psychosis (mental illness).

Each related Gibbs' difficulties in school, in the army, in his sex life and in his personality.

In final summation, District Attorney Rank accused the defendant of "lying" about many things and said: "He's trying to save his life and he wouldn't change his story in a million years."

Judge Weber in his charge to the jury noted that the defense had not raised a formal plea of insanity and told the jurors they could return one of four verdicts:

Guilty of murder in the first de-

## CALL SERVICE IN RED CHARGE

Washington, March 17 (AP) — The State department's sudden summoning of John S. Service from India for a review of his loyalty record was termed "a very significant and startling development" by Senator Hickenlooper (R-Iowa) today.

The department's decision Wednesday came only 24 hours after Senator McCarthy (R-Wis.) had accused Service, American consul at Calcutta, of having Communist affiliations.

McCarthy made his charges before a Senate Foreign Relations subcommittee which is investigating his contentions that the State department harbors Communists and Communist sympathizers.

Hickenlooper, a member of the committee, told reporters it seems strange to him that the department first said it knew nothing about one of McCarthy's accusations dealing with Service, and then "apparently reversed its field."

The Iowa lawmaker was referring to McCarthy's testimony that Service had been cleared by the department's own loyalty board, but that a U. S. civil service loyalty board fired his case back and recommended that the same department board be barred from judging the case again.

Shortly after McCarthy testified, the department said it had not received any such information or request from the review board.

## Poland's Bank Move Called Red Order

Washington, March 17 (AP) — Poland's sudden withdrawal from the World Bank and Fund is considered by some American officials as a Moscow-directed move to strengthen the Russian ruble in Eastern Europe.

Poland walked out of both 45-nation institutions Wednesday, terming their instruments of "imperialist United States policy."

Informed government officials said the real reason for the Polish action probably is this:

1. Moscow has decided to build up a ruble "trading bloc" among the satellite countries as part of its campaign to tighten Russia's grip on their economies.

2. Before this can be done, satellite governments would have to value their money in terms of what it is worth in rubles alone instead of dollars, as is the case now.

3. A necessary preliminary would be for satellite countries to pull out of the international monetary fund, which pegs all member currencies to the dollar.

Harrisburg, March 17 (AP) — A 27-year old motorcyclist and a three-year old girl were instantly killed here on Wednesday in separate auto accidents. The child, Karen Lukens, was struck by a school bus bringing her brother home from school in front of her home here. She died of a fractured skull. Daniel Madden, of nearby Edgemont, was killed when his motorcycle was struck by a car at a local intersection.

## GOP TO PREPARE JUDICIAL SLATE

Harrisburg, March 17 (AP) — Selection of judicial candidates for the May 16 primary drew the attention of pro-Duff Republican forces today.

Only candidates for a vacancy on each the State Supreme and Superior courts are needed to round out a ticket headed by Gov. James H. Duff for U. S. Senator and former Judge John S. Fine for Governor.

Less than 10 days remain for filing nomination petitions in behalf of judicial aspirants. Speculation arose that Duff may signify his choices for the posts after a meeting with 42 GOP county chairmen tomorrow.

The chairmen, all of whom came out for the Duff-Fine ticket at a slate-making session a month ago, have been summoned for another conference by William J. Hamilton, Jr., to discuss "management of the campaign." Hamilton is campaign manager for the Duff-Fine slate.

No. 1 consideration was being given by Duff-Fine leaders to former Gov. John C. Bell for the Supreme court. Speculation on the Superior court centered on Judge Eugene Alessandrini of Philadelphia and Judge Walter Braham of Lawrence county.

The ricksha used in the Orient today was invented by U. S. Marine Jonathan Gobie, who visited Japan in 1854 with Commodore Perry.

## News From Littlestown

### CLUB SPEAKER TELLS OF WORK WITH CHILDREN

Mrs. Helen Hurst, Hanover, teacher of the elementary class in special education at the Walnut street school, Hanover, was guest speaker at the monthly meeting of the Woman's Community club of Littlestown and vicinity on Wednesday evening in the POS of a hall.

"When our curriculum was built for the school, it was built on the plan that all children are the same," Mrs. Hurst said. "The problems of the slow learning child began to be recognized in 1895, when the special education movement started. The school for the mentally retarded is made up of children whose I. Q. is between 50 and 75."

The speaker told her audience that the most important fact she wished to leave with them was, "It is no disgrace to have a slow learning child. If one is the parent of a child with a weak heart, or a crippled limb everything possible is done to help such a child and the same tactics should be followed in the rearing of a slow learning child. He should be placed where he can get the most out of life, not in a sphere where he must compete with intellectuals. Happiness comes first of all in this plan, and all else will follow. In teaching the mentally retarded, an effort is made to create living situations as a means of helping them to meet life as it is. All through a school day, it is a process of building individual personalities."

Have "Irish" Program  
Mrs. Hurst also described a typical case history to her audience, and she had on display articles made by members of her special education class. She was introduced by Mrs. John H. Fleming, chairman of the program committee. Other members assisting were Mrs. Millard Basehoar, Mrs. LeRoy Bish, Mrs. Irvin Kindig, Mrs. Monroe Staveland and Mrs. Paul Bowman. The program included a vocal solo, "When Irish Eyes are Smiling" by Mrs. Maurice Rider, with Miss Louise Duttra as piano accompanist; a poem, "Finnegan on Flannigan" by Mrs. Millard E. Basehoar Jr.; a vocal duet, "My Wild Irish Rose" by Mrs. Paul Bowman and Mrs. Stanley Horner, with Miss Duttra as accompanist; and a story about St. Patrick by Mrs. Fleming.

Following the program, refreshments in keeping with St. Patrick's Day were served to the 60 members and guests in attendance by the hostess committee composed of Mrs. J. Harvey Pettyjohn, chairman; Mrs. Leslie K. Crouse, Mrs. Harry T. Harner, Mrs. Paul E. Altoff, Mrs. John LeGore and Miss Evelyn Hornberger.

Plan Public Party  
Mrs. Clayton L. Evans, president, which opened with the group recitation of the club collect and a group song "In the Gloaming." Mrs. Maurice Rider was song leader and Miss Louise Duttra was pianist.

### Merchants Are Pleased With Dollar Days

"Littlestown merchants are gratified with the response to Dollar Days," President Samuel H. Higginbotham of the Littlestown Chamber of Commerce said today, the second of three Dollar Days of 54 Littlestown business places.

"Our customers are finding many bargains and are being shown that Littlestown is a real shopping center for this area," he added.

Thursday night a program of entertainment was furnished in the St. Aloystus hall, when the Littlestown Men's Chorus under the direction of L. Robert Snyder presented the following program:

"Land of Hope and Glory"; "Body and Soul" with Patsy Crouse, vocalist; "The Blue Tail Fly" Stewart N. Long, soloist; "Twilight on the Trail" Harold O. Sentz, soloist; duet, "Way Back Home," Patsy Crouse and Stewart N. Long; and "Old Man River." Mrs. J. Robert Sell and Miss Lois Feaser were pianists.

Tonight from 8:30 to 9:15, there will be another program in St. Aloystus hall, when the Littlestown high school band will entertain.

"With free parking privileges anywhere in town on Saturday through the courtesy of the Chief of Police, the Burgess and the Safety Committee of the borough council, the merchants of the community are expecting an influx of out-of-town patrons on Saturday," a chamber of commerce spokesman said. At 9 o'clock Saturday night, the prizes will be awarded in the various stores and at 10 p. m. in St. Aloystus hall, the grand prize, an electric washer, will be awarded. The stores will remain open late again this evening.

Mrs. Evans introduced the following new members to the club: Mrs. Donald C. Feaser, Mrs. Bevin Hanlon, Mrs. Mrs. Claude White, Mrs. Noah Brown, Mrs. Ralph Reaver and Mrs. George Strevig. The secretary's report was presented by Mrs. Edward Leister and the treasurer's report by Mrs. Richard A. Little.

Mrs. Wilbur A. Bankert, chairman of the finance committee, announced that over \$150 had been realized from food sales. In order to make up the \$100 still required to complete the year's budget, the suggestion of holding a public party, presented by the executive board, was adopted. Further details

will be announced later. Mrs. J. Harvey Pettyjohn, chairman of the cheer committee, read "thank you" notes from Mrs. Emma H. Mehning and Mrs. Donald B. Coover.

Mrs. Evans, announced for the hostess committee that additional equipment had been purchased for the kitchen. Mrs. Paul R. Snyder announced that \$341.50 had been collected for the Heart Fund drive, exclusive of the contributions from the schools, the Lions and the Rotary clubs. The quota for the community was \$300.

To Increase Dues  
Mrs. Arlene Krumrine was received as a new member. Mrs. Evans announced that the club had a 100 per cent contribution to the Penny Art fund, a state federation project.

A contribution of \$1 was voted to the Crippled Children's society and \$50 to the Boy and Girl Scout drive in town. A discussion was held on amending the by-laws to increase the monthly dues. The club approved the following slate of county officers: President, Mrs. R. S. Saby; vice president, Mrs. Charles W. Weikert; secretary, Mrs. George Thrush; treasurer, Mrs. Joseph R. Riden; and corresponding secretary, Mrs. Leon H. Gage. Officers will be elected Wednesday, April 12. There will be a luncheon at noon at the Hotel Gettysburg; a business meeting will be held at the YWCA at 1 p. m. and the program will be held at 2 o'clock. Those from the club desiring to attend should notify a member of the executive committee from the local club by April 11.

Mrs. R. S. Saby, county president

and state Welfare chairman, spoke briefly, commenting on the work done by the club in the community. She said that according to reports received by her over \$200,000 has been spent in community work by the Women's clubs in Pennsylvania, with only about a fourth of the clubs in the state reporting. Mrs. Saby also spoke briefly about State Federation and what it has accomplished, especially in matters of legislation. She announced that the state convention will be held in Philadelphia, May 10 to 12.

Mrs. Evans extended thanks to the committees who arranged for the tea held recently and announced that \$17.35 had been realized, which will be used toward the purchase of books for the local branch of the Adams County Free Library. Mrs. Esther R. Wolfe read a paper giving highlights of Adams county written by Mrs. Clarence C. Smith, in connection with the 150 anniversary of Adams county.

The next meeting of the club Wednesday, April 19, will be an "Evening of Music" with Mr. and Mrs. Reginald Dell and four young artists from Hanover. Guest night will be observed. The program committee will include Mrs. Karl P. Bankert, chairman; Miss Louise Duttra, Mrs. Edwin Staveland, Mrs. Stanley Horner, Mrs. Maurice Rider and Mrs. Garnet E. Schellhase. The hostess committee will be composed of Mrs. Leon H. Gage, Miss Mary Rita Redding, Mrs. Hamilton C. Walker, Mrs. William H. Marshman, Mrs. Carl H. Baumgardner, Mrs. Curvin Hollinger, Mrs. Robert Crouse and Mrs. Robert Miller.

Miss Ethel Kindig, a teacher of English in the Coatesville high school, has been spending the week

at the home of her parents, Mr. and Mrs. John Kindig, East King street. This vacation in Coatesville high school has been occasioned by the Coatesville coaches' clinic.

## NOW IT'S YOUR TURN TO BLOSSOM OUT

Time to HENRY J. TAYLOR, ABC Network, starts Monday evening.

You've seen it happen with the family down the street, the friends across town, the folks you went to school with.

They started out, as most folks do, with a car of modest size—and still more modest price.

Maybe they moved themselves up a bit, step by step, to the top-bracket models in that particular price range.

Then they discovered something.

It doesn't cost much more—sometimes no more—to really blossom out in a Buick.

It's not such a long stretch to take command of a great-hearted valve-in-head straight-eight—to move into the room and restfulness and

steady going of a Buick—to cloak yourself in styling that's today's height of highway fashions.

You can know the good, satisfying feel of a Buick wheel in your hand—you can have the gentleness of soft coil springs on all four wheels—you can revel in the handiness of cars that are big in room and big in repute, yet traffic-sized and easy to park and put away.

Maybe—who knows till you inquire?—you can manage the magic silkiness of Dynaflo Drive\* in all its 1950 perfection—of a certainty you'll find the model that's twin to your heart's desire among the many choices Buick gives you for 1950.

So why not make this your year to blossom out in a Buick, as so many have before you? Why not

find out the dollars-and-cents story of Buick—it even includes some very happy figures on gas economy—from your own Buick dealer?

See him now, will you—and help yourself to some real fun this season!

BUICK ALONE HAS  
*Dynaflo*  
AND WITH IT GOES:

HIGHER-COMPRESSION Fireball valve-in-head power in three engines, five hp ratings (New F-263 engine in SUPER models.) • NEW-PATTERN STYLING, with bumper-guard grilles, taper-through fenders, "double bubble" taillights • WIDE-ANGLE VISIBILITY, close-up road view both forward and back • TRAFFIC-HANDY SIZE, less over-all length for easier parking and garaging, short turning radius • EXTRA-WIDE SEATS cradled between the axles • SOFT BUICK RIDE, from all-coil springing, Safety-Ride rims, low-pressure tires, ride-steady torque tube • WIDE ARRAY OF MODELS with Body by Fisher.
